Dear Sirs

70TH BIRTHDAY DINNER – DINAS POWIS WI WEDNESDAY 25TH MARCH 2009

Many, many thanks for a lovely meal last evening. Everyone commented on the delicious food, especially the Cream of Leek Soup. And I have had a number of telephone calls this morning praising the food.

Please tell your staff that everyone thought they were delightful and efficient and appreciated by all the guests. I was constantly being asked the name of the caterers. When I looked in the kitchen of our Parish Hall at the end of the evening, I could not tell anyone had been there,

Our three “wine waiters” were very pleased and grateful for the food you supplied to them.

Once again, please accept our sincere thanks. We look forward to using you again.

Yours sincerely
