

Dear Neil & Karen,

I would like to say a massive thank you for the continuous help and advice you gave us in the run up to our wedding (9th Aug 2008 at the County Hall Cardiff. I know we had a lot of questions for you and your advice and friendliness made it a pleasure. On the day the service was phenomenal - the ladies who served us were a joy, so helpful and friendly. The food was superb - top class. The tables were decorated so beautifully too. Another big thanks for the wonderful buffet too.

All in all it was an absolute pleasure using your firm and I would always recommend you as a first class caterer.

Thanks you so much

Louise and Ian Maxwell
